Players this year we will be focusing on proper striking technique for passing, shooting and dribbling in many different games and drills. These skills are vital as they approach high school and will enhance their ability to be an asset to their current and future teams. For 5th-8th graders, this is a perfect camp to get them ready for club and high school soccer. The Little Bears will play lots of games, develop some skills, but most importantly we will have a fun time doing it. Camp is coached by Evansville Central Women's Head Coach Jerome Mhango and Men's Varsity Soccer Coach Marc Sapoznik and will be assisted by the players from both teams.

\*\*\*Players will need shin guards and lots of water to participate. Cleats are recommended. Rain days or excessive heat days we will be inside.
