Camp Philosophy

We have three primary goals for Lady Bears Basketball Camp. We believe that each goal is essential to the success of the young ladies who attend our camp, both on the basketball court and off.

Goal #1: Provide instruction in the fundamental skills of basketball through the use of drills, competitions and games. This will help to lay the foundation for any young lady who chooses to become the best basketball player she is capable of becoming.

Goal #2: Teach the important life skills of goal setting and maintaining a positive mental attitude. We believe these to be essential skills that help them have a rewarding experience in Lady Bears Basketball.

Goal #3: The Importance of "Team"
