

## Expectations for Virtual Instruction

### Teachers:

- Will teach whole/small group instruction during 25-30 minute increments. (synchronous)
- Will give assignments (not to exceed 15-20 min) that extend beyond the whole/small group instruction. (asynchronous)
- Will provide assistance/help to students who need extra time during student support hours. This may be in small groups or one on one.

### Students:

- Will log into Google Classroom and participate in synchronous instruction through Webex/Google meet.
- Will adhere to school behavior guidelines/expectations for digital or classroom citizenship as if they were at school.
- Will request support/help from the teacher during one of the two daily times if needed.
